Tour**

Visit Quest Industrial, LLC

Don Wickstrum, entrepreneur and robotic engineer, will lead a tour of his Quest Industrial facility and talk about how he started and maintained his business. He has several patents and is constantly working on new robotic applications and inventions. His enthusiasm and his practical sense will encourage any entrepreneur looking to start his own business. Learn from one who is doing it.

Signing a Confidentiality & Non-Disclosure Agreement will be required to tour the facility. Forms will be available at this meeting.

Come explore and meet with others starting new businesses or inventors seeking networking opportunities. Share your struggles and successes with your peers.

Meetings are free of charge.
Refreshments served.
