

Regional Unemployment

Green County employers regularly attract workers from a 15-30 mile radius. The county's proximity to other counties provides a good source of qualified employees. Commuting plays a significant role in the make-up of the workforce. The 2000 census indicates that nearly 34% of the workers living in Green County commute to jobs outside of the county. This is up from the 1990 census figure of 16%. Furthermore, 23% of the jobs in Green County are held by persons living outside of the county, up from 13% in 1990.
